Subject: Summer Holidays and Reopening of School Reg.

Dear Parents,

Best wishes for the Holiday season!

We hope you are doing well and remaining safe.

Here are the much-awaited Summer Holidays. The summer break for all classes is declared from **May 1st to June 11, 2023.**

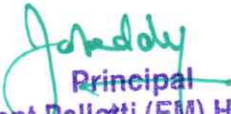

For all classes, school will reopen as usual on June 12, 2023. Please ensure that your ward attends classes beginning on **June 12, 2023**, as failure to do so may disrupt their academics. Attendance is a must on the re-opening day.

Please keep in mind that the school's reopening date is subject to change according to weather and government orders.

We wish and pray for the health of all STEM family members.

Thanks & Regards,
